JOURNAL

OFFICE OF LEGISLATIVE COUNSEL

Tuesday - 7 February 1967

25X1 1. [] The Director met with Senator
Everett Dirksen (R., Ill.) at 4:00 p.m. in response to the Senator's
request for a meeting. See Journal of 2 February.

25X1 []

25X1 3. [] At her request, forwarded the
Agency information brochure to Sally Kelly in the office of Senator
George Murphy (R., Calif.).

25X1 3. [] Talked to George Autry,
Chief Counsel, Senate Subcommittee on Constitutional Rights,
concerning Senator Ervin's draft bill on Constitutional rights of
Government employees. I informed Autry that we still have many
problems with the provisions of this legislation. Autry said he
recognized this and he said that one of the reasons that the Senator
was willing to make the draft available to us was to give us ample
time to identify those sections which cause us difficulty. Autry
expressed his view that it probably will be necessary to except
the security agencies from such sections of the bill. He also said
that the Senator plans to move very slowly with the legislation and
that he will keep us informed of proposed action before it occurs.
